Jn Memory

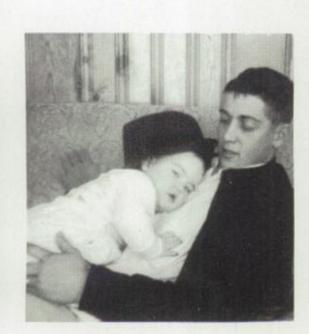

Of

Edward White

With his cheery smile, and
wave of his hand,
He's wandered into an unknown
land.
We cannot and we will not say,
"He's dead."
For he's just gone away . . .

Class History

Freshman Year

In the fall of 1962 fifty-seven typical freshman nervously wandered aimlessly around the campus of White Pass, hopelessly lost and embarrassed because of walking in the wrong classrooms. We soon discovered to our dismay, we had no class officers. Immediately we held an election. After the votes were tallied Dick Anderson, was President; Tami Bowen, Vice President; Donna Blakely, Treasurer; Paula Hofto, Sec.; Dan Brady, S.C.R., and Les Coleman Sgt. at Arms, our advisors were Mrs. Anderson, and Mr. Blaisdell. Soon we were orinated in high school life and before we knew it the time came for Homecoming, Patty Kaplan was our candidate; Corki Ball and Dan Brady were our candidates for the Sweethearts Ball. Karen Johnson was chosen to run for Queen of the Farmers Formal. We found our first year of high school very interesting and fun and we all were looking forward to our next year.

Sophomore Year

Only 47 of our class returned to the famous hall of White Pass in the fall of 63. It would be different this year, we all thought, for at last we felt we knew our way around. Our class phospered under the wise leadership of Sonya Pruitt, Class President; Rod Meade became Vice President; Donna Blakely, Treasurer; Tami Bowen, Sec; Ann Boren S. C. R., and Ken Short Sgt. at Arms. Our advisors were Mrs. Anderson, Mrs. J. Langdon and Mr. Blaisdell. Susan Latimer was our candidate for Homecoming Queen. To our joy Sharyn Hugh and Dick Anderson were elected King and Queen of the Sweethearts Ball our Sophomore year. Our candidate for The Booster Club carnival was Judee McMahan. Several members of our class were inititated into Honor Society. They were: Tami Bowen, Ann Boren, Olivia Babbitt, Sonya Pruitt, Rod Meade, Dick Anderson, and Dianne Gordon. The highlight of the Sophomore year was a Sophomore Tolo, the theme was Granny's Pad. Music was furnished by the Titans and Willie Washington. The dance was a great hit with all those who attended.

JUNIOR YEAR

Ahem! At last--upperclassmen! Approximately 54 bright, shiny faces greeted the new 1964 school year with high hopes and great expectations. Rod Meade led our class that year, Moureen Kelly was Vice-President, again Donna Blakely accepted the great responsibility of class treasurer, Ann Boren was always busy at the meetings jotting down minutes, and Ken Short and Gary Shouse reminded us at the meeting that 'a wise head holds a still tongue'. Our advisors were Mrs. Anderson and Mr. Van Diest, we all appreciated the work they had done to help us progress as the year sped by. Dick Anderson was elected Vice-President of the Student Body, Ann Boren was Secretary, Business Managers out of our class were Bev Pipkin, Dawn Amondson, and Geri Brady. Corki Ball and Craig Springer were tapped into Honor Society. Sharyn Hugh and Corki Ball helped cheer our team on to victory, as members of the varsity yell staff. Geri Brady was a majorette and did a fine job. Our candidate for Homecoming Queen was Nancy Beksinski; Rick Herauf and Ann Boren represented our class for the Sweethearts Ball. An all Junior Team made up the debate squad, they were: Rod Meade, Craig Springer, Judee McMahan, Ann Boren, Sonya Pruitt, Tami Bowen, Geri Brady and Olivia Babbitt. They all had excellent records. Our class participated in One* Act plays this year and found them fun. Our Junior Prom Theme was 'In the Misty Moonlight', and music was Furnished by Willie Washington and the Sting Rays. It was a beautiful dance. Dan Brady and Corki Ball were chosen King and Queen of the Prom. Our boys were active in all sports. Jack Sappenfield and Craig Springer were honored with all-conference in football. Dick Anderson

SENIOR YEAR

Quietly, happily and somewhat sadly our Senior Class of 58 students entered the hallowed halls of White Pass High School. We were jubilant as mighty Seniors, but again sad at the fact of not being able to return with our friends again next year. Our officers this year were: Dan Brady President; Corki Ball, Secretary; Cathy Sanders, Treasurer; Moureen Kelly, SCR; and Judee McMahan and Jack Sappenfield, SAA. Mrs. Anderson was our faithful and loyal advisor again this year. Thanks to Mrs. Anderson and Mr. Joneses expert guidance our Senior year went smoothly. Dick Anderson represented our class as President of the Student Body, Cathy Sanders was treasurer, and Ann Boren was Secretary. We're sure that the highlight of Shayrn Hugh's Senior Year was being elected by the Letterman's Club as their Homecoming Queen. Jack Sappenfield and Donna Blakely were our candidates for the Sweetheart's Ball. Cathy Sanders ran for PTA Carnival Queen. Our traditional Kionian was edited by Susan Latimer, who did a wonderful job, with the help of her staff. The debate squad was again victorious this year. The Senior members were: Moureen Kelly, Cathy Sanders, Olivia Babbitt, Ann Boren, Rod Meade and Craig Springer. Olivia Babbitt was editor of the school newspaper, the Cowlitz Echo. All-Conference football stars this year were Dan Brady, Jack Sappenfield and Craig Springer. Dick Anderson was honored with All-Conference First Team Basketball. Summertime was the theme of our Senior Ball, and the dance was quite lovely. We all enjoyed our Senior Trip to Victoria, B.C. Thusly our four happy years at White Pass ended, and we started a new chapter in our life.

Prophecy

A week away from our office jobs in Seattle was looked forward to by SUSAN LATI-MER and me, CORKI BALL. Our first stop would be at the Puyallup Drag-Strip. We always did have some great racers in our graduating class & hoped we might see some of our now, famous friends.

Saturday came & we called up our friendly "airoflight Service" in hopes of renting a helicopter. Sure enough at ten o'clock the bird landed (on the peak of our A-Frame house) & a good old friend climbed out. It was GARY SHOUSE, & we were surely glad to see him. Gary mentioned KENNY WARREN, who was to be his co-pilot but had to stay home to help his wife with their sick twins. We then rushed so we would be in time for the big race.

Climbing in & going into the air with a burst of speed, Gary complained of the extra weight he felt on his propellers. We peeked out the window & there was a little foreign plane hooked on our television aerial. Another peek & we realized it was another classmate of '66-CLYDE MARLL. After noticing us he unhooked himself & started communicating to us through the radio. Clyde is now the father of six & a Good Will Ambassador to Red China. He told us also of his employer, the Secretary of State, DICK ANDERSON. Dick is still a bachelor & seems to be the life of the party, excuse me, I mean cabinet. Also at the White House is LINDA MOSEMAN, an interior decorator.

Saying good-bye to Clyde, Gary informed us of his gambling partner, RON ROBERTS and his new job. Ron owns a chain of Safeway stores in Los Angeles, California. The boys get together every Friday night to challenge any other team & in case of a defeat Ronnie brings along the rotten fruit his stores can't sell. Yes, memory tells us that he always was a sore loser.

By 11:30 the grandstands were packed with people who all had the same thought"Will she do it? Can she win again?" In her excitement, Susan reached over to get my
attention. She had noticed a tall boy standing near the famous woman racer's car, &
kicking the front tire. It was RON McCULLOUGH who had been hired by JUDEE MCMAHAN as a private mechanic.

Well, the race was on and while the cars went out of sight, the entertainment was a small band managed by a lady. Why, it was TAMI BOWEN. The band played on & with a swift jerk of the head she fell on the ground as if she had suddenly dropped something. Sure enough Tami had lost her contact! KAREN JOHNSON, playing the clarinet, made the successful move of finding the dark brown contact in the dark brown mud. By this time, DR. CRAIG SPRINGER arrived at the scene. It took Karen & Tami a while to convince him that everything was all right. Craig was always very efficient & he ordered his secretary, MISS DIANNE GORDON, to type it & be efficient, of course! After Tami & her band finished the well known "Flyers Fling" the race was back into sight. Coming over the finish line for first place, Judee won the trophy. WARREN STETSON, the Blue Helmet kid, took the good sportsmanship award. After the show, Gary, Susan, & I rushed down to talk to the winners. Judee told us the whereabouts of some of our old buddies. It seemed that GERI BRADY was in the Peace Corp & stationed in North Africa. Her cousin DAN BRADY, also in the Peace Corp, was stationed in South America.

Warren informed us of WES HAVILAND, who was the owner of the new Apartment Building in Randle. His bookkeeper was SANDY BURRIS. Another big owner was RICK HERAUF, who owned the "Drink A Lot" Cocktail Lounge. His first class entertainment was the World's newest screen star, LYNN McEACHIN with her dancing performance. Saying goodbye we left the drag strip to fly to Butte, Montana, where we filled up on fuel. After unloading, we wandered into the terminal & there at a table eating dinner

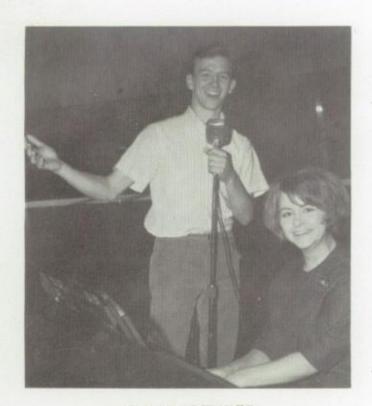

sat PAT KAPLAN & NANCY BEKSINSKI. The girls were stewardesses & would be flying to Paris in fifteen minutes. In France they would join up with their fellow stewardess CATHI SANDERS. Talking over old times & classmates we found out that MOUREEN KELLY was a successful Lab Technician in New York & SHERRI BRIDGES was a Dental Assistant in Miami, Florida. GARNETT ALLEN was now living with her husband & 3 kids in New Orleans, Louisiana, writing books of her childhood. Another classmate, MRS. WATKINS, was the wife of a great explorer & making her home in the Artic Circle. YVONNE BORTON was television's new Exercise Lady. CONNIE HAMES her Assistant.

Our next stop was at Las Vegas, Nevada. Strolling along the streets we caught a glimpse of a sign over a nightclub. It read-"WILLIAMS, MCKEE, & HUNT, Inc." Could this be LARAY, SHARON, & PHYLLIS? Running a night-club? We walked in & after several tips to the waiters we were allowed to see the bosses. Sure enough, the trio, sat quite content in pure luxury. Over a drink we reminisced old times. DAWN AMOND-SON was one of their Employees who decorates and paints the scenery for the entertainment. They told us that KAREN ULME was there in town trying to ruin the girls' business ness by taking their trade. She was doing quite well. PATSY MOTT, in North Carolina, was now a Professor of Science & happily married. After the girls heard we were in Las Vegas to enjoy ourselves they mentioned the National Beauty Contest to be held downtown that night. There were 49 glamourous girls but when the 50th strolled on our mouths dropped open in surprise. It was Miss Washington, our SHIRLEY HERAUF, extremely beautiful! After the show we rushed backstage to find Shirley's Campaign Manager to be MARLENE PITTS, who is happily married to a captain in the Air Force. She travels with Shirley. Other travelers with the celebrity were her two favorite beauticians, "Best in the Union is SHARON HUGH & CATHY EMORY." Her private chauffeur was JACK SAPPENFIELD. He's also a fabulous Mechanic. Fabulously rich, that is! The next few days were well spent & we found on vacation, too, OLIVIA BABBITT & ANN BOREN. Both were actresses from Hollywood & had decided to come to try their luck with gambling. The girls would co-star in the new moon show-"Rocky Surface of Love." The male lead would be played by ROD MEADE, who had adopted the nickname "Lover Boy."

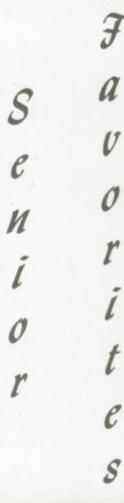

Our next stop was at Houston, Texas, since none of us had been there. We had hardly rented our hotel rooms when a loud knock on the door startled us. It was PAUL LAGERQUIST & STEVE MULLINS. They had seen us coming in & insisted on us going to stay the night at their ranch. It was the biggest place we'd ever seen & they had the most highly priced horses in the land. When we asked how they got their start, Paul explained to us that DON ARTERBURN, a great basketball player, inherited the money & loaned it to them.

Towards home we stopped again in New Mexico for fuel. LEON FOSTER was the manager of the Airport & looked quite well. He was a family man & the father of 4. During our long talk, Leon told us of a few more classmates. BEV PIPKIN has now joined the Betty Crocker Company & was a big success with all the big Eaters, who love good cakes, I might add. Another classmate, BILL SANDERS, was a short story writer & making his 2nd Million. The only politician was DONNA BLAKELY, running for the V. Presidency next election. LES COLEMAN was known as the country's most feared FBI man.

We have memories of our trip, but needless to say, we must travel homeward bound. Gary to his "Airoflight Service," Susan to her Secretary job at Boeing, & I, Corki Ball will go back to my job as a bookkeeper for Sears, Roebuck, & Company.
